

Matariki Global Citizenship Fellow Exchange Scheme for Doctoral / Master Students from Matariki Universities

The University of Tübingen offers funding for graduate (PhD and Master/MSc) students from the partner universities of the Matariki Network of Universities (MNU).

Graduate students shall be engaged in areas related to the *Matariki Global Citizenship Programme (GCP)*; for reference see: <http://matarikiqlobalcitizen.org/>.

Who may apply? – Per year three (3) doctoral/PhD or Master students from Dartmouth, Durham, Otago, Queen's, Uppsala, or UWA may apply for a study & research stay at the University of Tübingen. Duration: min. 3 weeks – max. 6 months during the years **2020-2022**. MNU graduate students need to identify a professor at the University of Tübingen who agrees to host them.

Requirements for application of MNU graduate students:

- Name and contact details of the Tübingen host
- Information on the applicant (CV)
- Information on the Bachelor's / Master's Degree (certificate)
- Information on the planned research/engagement in Tübingen, incl. relation to the *Matariki Global Citizenship Program* (2-3 pages)
- Time and duration of the planned stay
- Letter of support from the home university
- Letter of support from the Tübingen host.

Funding: Per person 1,365 €/ month (PhD students) and 1,000 €/ month (Master/MSc students) for subsistence costs.

Accommodation: The Welcome Center of the University of Tübingen and the Tübingen Matariki Coordinator will help with accommodation and other requirements during the stay in Tübingen (welcomecenter@uni-tuebingen.de).

Rolling application with no deadline.

When all funds per year have been awarded, the call will be closed.

Please send your application to:

Dr. Andrea Schaub, Director of the Tübingen Research Division
(exu@uni-tuebingen.de) phone: +49/7071/29-72592

and

Dr. Karin Moser v. Filseck, Tübingen Matariki Coordinator
(karin.moser@uni-tuebingen.de) phone: +49/7071/29-77353

Please also inform the Matariki Coordinator at your home university!
